

The banner features a vibrant orange and blue wave design. On the left, the text reads "2021 NCCU ISS International Summer School" in large, colorful letters, with "July 1 ~ 30" below it. The NCCU OIC logo is also present. On the right, a red circular button says "Apply Now!". The background includes photos of a group of people, a group of students cheering, and a dragon boat race.

## Taiwan Economic Policy

### Instructor's Name & Profile

Dr. Jennjou Chen (陳鎮洲), Ph.D. in Economics (Cornell University)

Department of Economics

College of Social Sciences, National Chengchi University

jennjou@nccu.edu.tw

<http://www3.nccu.edu.tw/~jennjou/>

Research Fields: Labor Economics, Health Econometrics, Economic Education, Applied Econometrics

### Course Date & Time

July 5, 6, 7, 12, 13, 14

9:10 AM – 12 PM

### Course Objectives

This course provides an overview and analysis of the economic policy in Taiwan. The focus is on labor and health policy. Basic economics models like demand and supply analysis are considered to gain a deeper and better understanding of the effects of various government policies.

### Prerequisites

Basic knowledge in economics at high school or university level.

### Textbook

There is no assigned textbook for this course. Various journal articles, research papers, and readings will be assigned.

### Evaluation

1. Class Attendance and Participation (50%): students are expected to attend all lectures and actively participate in class discussion.
2. Group Project (50%): the assignment is to present a group project about labor and/or health policies for a specific country. More details of the group project will be announced in class.

## Course Schedule

There are 6 3-hour lectures.

9:10 AM – 12 PM, Monday, 7/5/2021
